Attached is H. R. 61, the Administration's bill on criminal justice information control upon which hearings will be held shortly. We have been asked to raise with the subcommittee staff any problems that this bill will cause the Agency, by 20 May 1975. We would appreciate your reviewing this legislation and sending us your comments by 16 May. Attached is a tentative analysis of the bill which may help you in looking it over. It concludes the Agency should seek clarification of the bill to ensure that it would not be considered a "criminal justice agency" and to guarantee that it would still have access to needed information as a non-criminal justice agency.
